Pocket Guide to the Middle East. *This travel guide is part of a series produced by the Department of Defense to help military personnel who are transferred abroad, but they are also excellent for any traveler who wants to learn the basics about a country. The Guide briefly discusses the history of the country, and outlines its major points of interest, the character of its people, and its geography. There is also a map of each country, a conversion list for weights and measures, and a list of useful words and phrases spelled phonetically.* Rev. 1969, reprinted 1978.
